

CERTIFICATE OF ANALYSIS

Product Name	Acrylates Copolymer		
Inci name	Acrylates Copolymer		
Cas No	25133-97-5		
Formula	C14H22O6		
Batch Number	20230620	Manufacture Date	20230620
Report Date	20230620	Expiry Date	20250619

Test Items	Specifications	Results
Appearance	Thickening agent, Suspending agent	Complied
Appearance (25°C)	White milky liquid	Complied
pH value (5% solution, 25°C)	4-5	4.5
Solid content, %	34-36	35.5
Viscosity (after neutralization in 1% solids aqueous solution, mPa•s, 25°C)	4000-8000	Complied
Ethyl acrylate content, mg/kg	< 1	Complied

Storage: Store in tight, light-resistant containers, avoid exposure to direct sunlight, moisture and excessive heat.

Shelf Life: 24 months if store under the conditions above and stay in original packaging.
